

28 may 1976

let + Chulie many thous for your kind letter a te ocession of my fathering returner. It has been a fascinating and lewardy thirty five Years. I reached mountaing tetrem raise early they year but Was extended by the Army. I would to wante all of the investigations were over and they haw are and I was untouched by them. I do how your knew What I will do god. I am looking at several possibilities les government and is provote Buseries on how gov made a definite decision. When I do I Will ler you Klow as I too greatly Value our old phaidship Wietzwer good with to you holeta Euther Die
